We will collect on 12/0826

While we do our best for every surrendered pet, we're unable to guarantee rehoming. Capacity and resource constraints as well as stress relating to the shelter environment, serious health or behavioural concerns may make compassionate euthanasia unavoidable. Please consider this and call us (0217004159) if you prefer to cancel your pet's collection. Your reference number is INSP235849
