

INSPECTOR NOTE

Building:	LAKESIDE CLEANSING DEPO
Street:	185-195 M4
Suburb:	MUIZENBERG
Postal Code:	7950
Date:	2026-08-11
Time:	16:22
Inspector:	YAASEEN ABRAHAMS
Type:	CASE NON-COMPLETION NOTE
Follow-Up Date:	2026-08-12
Comments:	Due to needing to do priority cases and other new cases across 3 areas, I could not attend to this case as by the time I would be able to go there, the time available is insufficient as it is a security dog inspection which takes more time than the usual inspections. Also, we have been to this site multiple times before and cleared it
