We can come out to collect the dog but it will only be from the 27th onward. The cost is R350,00.

Please provide your address and two contact numbers.

Please note that once you surrender an animal to the SPCA there is no cooling off period in which you can come back and say you want the animal back as this is a permanent decision you will be making as you will sign your rights and legal ownership of those animals to the SPCA so once we collect the animals do not ever come back.

please confirm that you understand and are ready to proceed?
