Comments:	Upon arrival i met residents of the flats who explained that the dogs were dropped off one day by someone and they were all collectivley feeeding the dogys but that they had nowhere to sleep. The one lady, Mrs Peterson said that her son had been caring for them but she would like them to be surrendered because that was in their best interest. Dogs were surrendered on A102315 and A102314 in good health and free of injury.
