Comments:	Shulah AUG 11, 15:23 Good Day ,Mr Franco Raffa(Marketing manager of SPCA) gave me this number, as I have to report a case of neglect of 2 dogs being used as guard dogs at a fruit and veg stall on the corner of Morgenster Road and Jake's Gerwel Drive. Its a Rottweiler and a brown dog. These dogs r chained throughout the day and I assume at night as well. Their kennels are in an appalling state. When it rains, the dogs get soaked. Please send an inspector to go and inspect the issue. Can I get confirmation of this message and feedback, as I have to forward it to Mr Raffa
