Subject: Dogs barking and no persons living at premises Ref 1003280828

Good day Mr Moyo

Could you kindly advise on the following matter.

We received a complaint of dogs barking excessively , however upon investigation we discovered that the owner has relocated out of Cape Town .

The complainant informed us that a person comes around to the property a few times a week to feed the dogs.

We are unable to enforce the By law as there is no one we can serve with a notice for the barking complaint.

The dogs are at no 27 Aintree Crescent Beacon Valley.

I only have a contact number of the owner which was supplied by the complainant (neighbour).

Can your organisation please advise or assist in this matter.

Kind Regards
PEACE NKOLOLO 2026-08-12 10:07
