Good day Tracy,

As per the telephonic conversation with Joy, I have made arrangements for the outreach to be scheduled during September. Once a suitable date has been confirmed, we will send posters to Joy for distribution within the community to help create awareness of the event.

@Joy, please could you send me the pin location of the available open space where our vehicles can be parked on the morning of the outreach?

The outreach will take place in the Leonsdale area, and the following services will be available on the day:

1. Vaccinations
2. Rabies vaccinations
3. Deworming
4. Flea treatment
5. Collection of unwanted animals (owner surrenders)
6. Sterilisations

Thank you for reaching out and for assisting the people and animals within the community. We look forward to working together to make this outreach a success.

Kind regards,

Ok me again (sorry) - I was typing fast in between calls, so let me send a better, more detailed email.

- The address for Elsie's River: we don't need to send an inspector. We need an outreach in that area. The contact lady there is Jacqui; if we can secure a date, then she will let the people know. Her address is 155 Halt Road, Elsie's River, and her contact number is 0824653911, but I will let her know as soon as you have that date ready (thank you)
