Comments:	I have another area that desperately needs an outreach, and I do have a contact who will do the same. There are about 20 dogs there, in bad shape, that need attention. Can SPCA go there and look maybe in the meantime? She can be there to meet you. There is one dog that is horribly neglected and thin that I would like to report to the inspectorate to have a look. The address is 18 th Avenue, Facreton and the contact person is Kashiefa, and I am attaching a photo of the dog. Kashiefa's number is 066 167 9017. Google Maps
