So you will surrender her to the SPCA? Are taking ownership of the dog?

IS the other person teh owner of the dog? Are they aware you givin the dog away to the SPCA?
The dog was originally brought here by my uncle's girlfriend while she was living here . She looked after her for the first few days, but after that my uncle and I were the ones feeding and caring for her. I also bought her a collar, dog food and dog dip, and gave her my dog bowls to use. My uncle and his girlfriend then broke up, and when she left, she left the dog here. Since then, we have continued taking care of her, but she has now become sick and I'm worried because I can't afford the medical care she may need. I contacted the SPCA because I want to make sure she gets the proper care she needs .
