Hi Belinda

Thank you so much for the information; it is definitely helpful to us.

I definitely think this is that school because the 3rd image shows Gordon High school. @Inspectorate – Cape of Good Hope SPCA please log the case for Lwazi but put note on the case that he needs to discuss it with me first. This can be allocated for Monday.

Kind regards

Hi Peace

Here is the full post <https://www.facebook.com/reel/4972803716374070> His name is Darren Adams, some pics from his social media account attached.

Given the logo on this building, it appears he is standing at a Cape Town Spurs Generations School, there is another photo of him in a school jersey in which only a partial of the school emblem is visible, unfortunately a reverse image search didn't identify that school.

The closest Generations School to the incident is the Somerset west campus in Heritage Park

The only image with any vehicle registration details is this one and it's also only partial

I'm not sure if this information is any help.
