Comments:	I met with an adult male who identified himself as Henry. I asked for Natasha, and he informed me that she returns home after 18:30. When I enquired about the injured cat, he stated that the cat had been collected by the SPCA the previous night.
Captured By:	I attempted to contact Natasha telephonically, but the number did not go through. NFA Siviwe Noko 2026-09-23 17:10
