Report/Findings: upon inspection at the address, I found 1 male dog remaining around the yard and the dog looked healthy. The owner mentioned that he removed the dog that was teaching the remaining one to jump fence. The remaining one has not jumped fences so far but the owner opted to just surrender the dog to SPCA since the dogs have been causing him problems in the street.

Action taken: (i.e. warning, education, seize, etc) The dog will be removed on 23/04/26
